

# MOUNT ROZIER

## THE FLOWER GARDEN

SAUVIGNON BLANC 2023

**BLEND COMPOSITION** 100% Sauvignon Blanc

**ORIGIN** W.O. Western Cape

**TECHNICAL NOTES** 100% Sauvignon Blanc from vines averaging 10 years. Grapes were handpicked early in the morning to retain the delicate fruit flavours. Bunches are hand sorted, destemmed and crushed as gently as possible. After crushing the grapes, then undergo 6 hours of skin contact inside of the press to enhance flavour extraction. The juice is settled until clear before racked and cold fermented (10 – 14 °C) for almost 1 month in stainless steel tanks to enhance the typical varietal characters. After fermentation, the wine is left on the lees for 5 months with regular lease stirring before racked, fined with bentonite and cold stabilized in preparation for bottling.

**TASTING NOTES** Wine has a pale straw yellow colour, with a tinge of green. A complex fresh wine with passion fruit, citrus and pear notes. This wine has a well-rounded mouth feel with a crisp lingering after taste.

**WINE ANALYSIS**

Alcohol:	13 %
Total Acidity:	5.99 g/L
pH:	3.66
Residual Sugar:	2.87 g/L
Winemaker:	Leon Esterhuizen
