

## Mount Rozier Rose 2022

**Blend:** 100% Grenache

**Origin:** W.O. Western Cape

**Vineyard & Cellar:**

This rose is made from Grenache Noir grapes. The vineyards are nestled in the Citrusdal Mountains, some 50 km from the well-known Swartland wine region. This area provides the perfect natural environment for vineyards to thrive. At 750 meters above sea level, the plateau's climate is characterized by warm days and cool evenings., which allow grapes to slowly ripen and develop complex fruit flavors.

Grapes were handpicked very early in the morning allowing the grapes to retain their fruitiness and flavour. After arrival at the cellar the whole bunches were hand selected before the crushed berries were transferred into a stainless-steel tank. After crushing the grapes underwent a three-hour skin contact in static drainers before being fermented under controlled conditions at 13°C. This wine was bottled three weeks after the fermentation was completed to ensure a fresh fruit wine was bottled.

**Tasting Notes:**

This beautiful, light pink rosé was carefully crafted and displays an abundance of succulent strawberry, luscious cherry and raspberry flavours with subtle rose petal undertones. It is well-rounded, light and creates a delightful drinking experience.

**Wine Analysis:** Alc. 11.8% P.H. 3.20 R.S. 2.36 T.A. 6.32

*We fine our wines with bentonite, which means our wine is vegan friendly.*
